"(2) Limitation on permitted activities.—

"(A) In general.—No transaction, class of transactions, or activity may be deemed a permitted activity under paragraph (1) if the transaction, class of transactions, or activity—

"(i) would involve or result in a material conflict of interest (as such term shall be defined by rule as provided in subsection (b)(2)) between the banking entity and its clients, customers, or counterparties;

order, after due notice and opportunity for hearing, the banking entity or nonbank financial company supervised by the Board to terminate the activity and, as relevant, dispose of the investment.
