

Recent developments: U.S. sanctions and AML regulation and enforcement

July 15, 2021 | Webinar

Davis Polk's webinar discusses some of this year's key enforcement trends and developments in U.S. sanctions, anti-money laundering and other corporate actions. Topics include:

- Key governmental appointments and nominations
- Notable developments in U.S. sanctions programs
- Update on Anti-Money Laundering Act of 2020 and other AML initiatives
- Recent enforcement trends and matters
