

Advising Private Funds: A Comprehensive Guide to Representing Hedge Funds, Private Equity Funds and Their Advisers, 2020-2021 ed.

September 1, 2020 | Articles & Books

Davis Polk partners Nora Jordan, Leor Landa and Gregory Rowland authored the 2020-2021 edition of *Advising Private Funds: A Comprehensive Guide To Representing Hedge Funds, Private Equity Funds And Their Advisers*.

The book provides attorneys and their compliance officers with a comprehensive guide to advising private funds and their advisers. It addresses manager compensation and exit strategies, including the sale or public offering by an investment adviser. Chapters cover structuring funds in a tax-efficient manner and in compliance with the U.S. federal securities laws. The 2021 edition provides general updates of the relevant regulatory compliance laws with respect to investment strategies and operations in the private fund industry.
