

## Climate Regulatory Reform and the U.S. Financial Services Sector — Spring Forward Edition

April 13, 2022 | Client Update

Addressing climate change is one of the highest priorities of the Biden administration, and the pace of policy developments has been increasing and is expected to continue to increase over 2022. This update to our deck, initially published in February 2022, covers a wide range of prospective developments that are likely to affect the U.S. financial services sector.
