

Litigation issues facing de-SPACed companies

June 28, 2022 | Webinar

Davis Polk has launched a new interactive series of webinars for companies that have recently gone public via a de-SPAC business combination transaction. This program is designed for senior in-house legal personnel and executives at such newly public companies.

We hosted our second webinar in this series on June 28, 2022 at 2:30pm EST, where covered “**Litigation issues facing de-SPACed Companies**”

A replay of our first webinar module on capital markets issues is available [here](#).
