

The Banking Regulation Review: USA

October 17, 2022 | Articles & Books

Davis Polk partner Luigi De Ghenghi recently authored the 13th edition of *The Banking Regulation Review's* USA chapter. The chapter summarizes the principal elements of banking regulation in the United States, with a focus on how financial regulatory reform in 2021 was shaped by the transition between presidential administrations, and an increased focus on digital assets and calls for their regulation.
