

Preparing your 2022 Form 20-F: Hot topics and developments to watch in the US and UK

January 26, 2023 | Webinar

We discuss some key US and UK considerations for the preparation of your upcoming annual report on Form 20-F. We cover hot topics (including SEC focus areas) and recent disclosure developments. In addition, we “look around the corner” for developments likely to impact foreign private issuers in the short to medium term.
