

Getting the Deal Through: Financial Services Compliance 2023

March 2, 2023 | Articles & Books

Davis Polk partner Zach Zweihorn served as the contributing editor for the 2023 edition of *Lexology's Getting the Deal Through: Financial Services Compliance*, a reference guide enabling side-by-side comparison of local insights, including into the regulatory framework, registration and authorization regimes, enforcement, compliance programs, cross-border regulation and international standards, and other recent trends.

Davis Polk lawyers also contributed the guide's Hong Kong, U.K. and U.S. chapters.
