

IP financing deals gain traction for companies seeking liquidity

February 15, 2024 | Articles & Books

Davis Polk partner and IP, Tech & Commercial Transactions practice head Frank Azzopardi authored “IP financing deals gain traction for companies seeking liquidity” in *Bloomberg Law*. In the article, Frank provides an overview of how IP financing deals work and the benefits of these transactions. Frank also notes that we can expect continued growth and innovation in this space due to wider market acceptance of such deal structures because they provide the ability for companies to unlock value from an untapped source to help meet their liquidity needs.
