

Financings of medical practices: Considerations for lenders

May 28, 2024 | Articles & Books

Davis Polk partner Scott Herrig, counsel David Kennedy and associate Matthew Wiener authored “Financings of medical practices: Considerations for lenders” in the twelfth edition of *International Comparative Legal Guides: Lending & Secured Finance*. In the chapter, the authors discuss the structuring, diligence and loan documentation considerations for lenders providing financing for medical practice acquisitions subject to corporate practice of medicine (CPOM) restrictions.
