

Recent developments: U.S. sanctions and AML regulation and enforcement

August 8, 2024 | Webinar

Please join us for a discussion on some of this year's key enforcement trends and policy and regulatory developments in U.S. sanctions and anti-money laundering. Topics will include:

- Russia sanctions and other recent sanctions developments
- Update on the implementation of the Anti-Money Laundering Act of 2020 and other notable AML initiatives
- Regulatory and enforcement developments in the digital assets sector
- Recent enforcement trends and updates
