

Mitigating counterparty bankruptcy risk in partnering transactions

October 8, 2024 | Articles & Books

Davis Polk partner and IP & Commercial Transactions practice head Frank Azzopardi, partner David Bauer and counsel Samantha Lefland authored “Mitigating counterparty bankruptcy risk in partnering transactions” in the November 2024 issue of *Financier Worldwide*. In the article, they discuss the increasing number of bankruptcies in the pharmaceutical and biotechnology space in recent years and the importance of addressing counterparty bankruptcy risk when engaging in a partnering transaction.
