

Financial Regulation: Law and Policy, **Fourth Edition**

October 14, 2025 | Articles & Books

Davis Polk partner and Financial Institutions practice head Margaret Tahyar co-authored the fourth edition of *Financial Regulation: Law and Policy* with Howell Jackson, Professor of Law at Harvard Law School. The textbook analyzes and compares the market and regulatory architecture of the entire U.S. financial sector from banks, insurance companies and broker-dealers to asset managers, fintech companies, complex financial conglomerates and government-sponsored enterprises. It also explores a range of financial activities from traditional banking and consumer finance to asset management and payment systems, both digital and traditional, as well as digital assets, securitization, short-term wholesale funding, money markets and derivatives.
