

Potential limitations on recognition under chapter 15 proceedings: The hidden good faith test?

November 26, 2025 | Articles & Books

Davis Polk partner Darren Klein and associate Amber Leary authored “Potential limitations on recognition under chapter 15 proceedings: The hidden good faith test?” in *Global Restructuring Review’s Americas Restructuring Review 2026*. In the article, they provide an overview of the scope of relief available under chapter 15 and the potential limitations on such relief.
