

California's climate disclosure laws and the financial sector

April 17, 2026 | Articles & Books

Davis Polk counsel and Environmental practice head Loyti Cheng and counsel David Zilberberg authored “California's climate disclosure laws and the financial sector” in *Practising Law Institute's* treatise on *Climate Change, Sustainable Investments, and Social Governance: Law and Compliance*. In the chapter, they discuss California's trio of climate change disclosure laws: S.B. 253, S.B. 261, and A.B. 1305.
