The Future of U.S. Financial Regulatory Reform in the Trump Era

January 31, 2017 | Client Update

For our view that there is unlikely to be a dramatic shift in the Dodd-Frank regulatory paradigm, but that there are plenty of very good reasons to engage in a serious rebalancing of recent financial regulation away from its sole focus on financial stability and towards also looking at jobs and economic growth, see our post in the **Oxford University Press**.

If you have any questions regarding the matters covered in this publication, please reach out to any of the lawyers listed below or your usual Davis Polk contact.
