

OTC Derivatives Regulation Under Dodd-Frank: A Guide to Registration, Reporting, Business Conduct and Clearing

July 3, 2017 | Articles & Books

As the breakneck pace of the OTC derivatives regulatory regime continues, the 2017 edition of [OTC Derivatives Regulation Under Dodd-Frank: A Guide to Registration, Reporting, Business Conduct, and Clearing](#), co-edited by Davis Polk partner Gabriel D. Rosenberg, integrates into a single volume a summary of this daunting new regime and raises key issues with which market participants are struggling.
