

Environment and Climate Change under the Biden Administration

November 16, 2020 | Client Update

This deck provides our current views on the likely key areas of focus under a Biden presidency and a Republican Senate on environmental and climate change policy. A Biden Administration and a split Congress will most likely be limited to executive actions, regulation and enforcement.

If you have any questions regarding the matters covered in this publication, please reach out to any of the lawyers listed below or your usual Davis Polk contact.
