U.S. Bank Holding Companies: Overview of Dodd-Frank Enhanced Prudential Standards Final Rule

February 24, 2014 | Client Update

This visual summary provides an overview of key aspects of the Federal Reserve's Dodd-Frank enhanced prudential standards (EPS) final rule applicable to:

- U.S. bank holding companies with ? $50 billion in total consolidated assets (Large U.S. BHCs), which are required by the final rule to comply with risk management and qualitative liquidity standards.
- Publicly traded U.S. BHCs with > $10 billion in total consolidated assets (Public Mid-size BHCs), which are required by the final rule to establish a risk committee of the board of directors to oversee its risk management framework.

If you have any questions regarding the matters covered in this publication, please reach out to any of the lawyers listed below or your usual Davis Polk contact.
