

Revised Jurisdictional Thresholds Under the HSR Act and For the Prohibition of Interlocking Directorates - January 2014

January 23, 2014 | Client Update

The Federal Trade Commission (“FTC”) today published a notice to revise the premerger notification thresholds for mergers and acquisitions under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (“HSR Act”). The FTC also published revisions to the thresholds that trigger, under Section 8 of the Clayton Act, a prohibition preventing companies from having interlocking memberships on their corporate boards of directors. These revisions represent the annual adjustment of thresholds based upon changes in the GNP.

If you have any questions regarding the matters covered in this publication, please reach out to any of the lawyers listed below or your usual Davis Polk contact.
