

## Davis Polk Financial Services Regulatory Reform Tool – Summer Spotlight Edition

July 13, 2021 | Client Update

Financial services regulatory reform will continue to be active in 2021, with the Biden Administration focused on activity at the intersection of financial regulation and social policy. As we observe the changing landscape, here is the Summer Spotlight Edition of our reference tool, which provides context and summarizes current and expected developments across a range of regulatory areas, agencies and actors.

We will continue to track these issues and will provide another update next quarter.
