November 18, 2021 | Webinar

Please listen in as Davis Polk partners and co-heads of our White Collar Defense & Investigations group Greg Andres and Martine Beamon speak with our newest white collar partner, Dan Kahn. Dan recently rejoined Davis Polk after spending 11 years at DOJ, where he held a variety of senior positions including Chief of the Fraud Section and Chief of the FCPA Unit. Described by the *Wall Street Journal* as DOJ's "most recognizable expert on the Foreign Corrupt Practices Act," Dan brings a unique perspective on anti-corruption enforcement. As the head of the Fraud Section and acting Deputy Assistant Attorney General, Dan also oversaw DOJ enforcement of fraud related to commodities, securities, cryptocurrency, financial institutions and fintech, procurement, and health care, and played a central role in developing corporate enforcement policies and compliance guidance. Dan, Greg and Martine discuss recent developments and trends in anti-corruption and other corporate enforcement, as well as the administration's enforcement priorities looking ahead.
