

The Structured Products Law Review – Third Edition

November 23, 2021 | Articles & Books

Davis Polk partners Christopher Schell, Yan Zhang and Derek Walters served as editors of the third edition of *The Structured Products Law Review* and authored the editors' preface and the United States chapter. The book provides an overview of recent changes and developments in the legal and regulatory frameworks governing structured product markets in key jurisdictions worldwide. In the United States chapter, the authors discuss the change that the structured products market has undergone during the global COVID-19 pandemic and the regulatory framework that has been built to address this expanding and changing marketplace.
