

Considerations in the use of aggregator vehicles in NAV facilities

January 25, 2022 | Articles & Books

In this chapter for *Global Legal Insights – Fund Finance 2022*, Sixth Edition, Davis Polk partner Meyer Dworkin and counsel Kwesi Larbi-Siaw examine several issues to consider when structuring a NAV facility in which the credit support is based – in whole or in part – on a fund's proportionate interest in portfolio investments held by one or more aggregator vehicles.
