

Davis Polk Financial Services Regulatory Reform Tool – Winter Forecast Edition 2022

February 2, 2022 | Client Update

Financial services regulatory reform continues to be active, with the Biden Administration focused on activity at the intersection of financial regulation and social policy. As we observe the changing landscape, here is the Winter Forecast Edition of our reference tool, which provides context and summarizes current and expected developments across a range of regulatory areas, agencies and actors. We will continue to track these issues and will provide another update later in the year.
