

Getting the Deal Through: Financial Services Compliance 2022

March 16, 2022 | Articles & Books

Davis Polk partner Zach Zweihorn was the contributing editor for the 2022 edition of *Getting the Deal Through: Financial Services Compliance*, a compilation of the rules and approaches to financial services compliance in each of the 13 jurisdictions. The practical and pragmatic guide will assist lawyers, compliance professionals, boards of directors and others who represent or are engaged with globally active institutions in navigating the regulatory requirements and frameworks of multiple jurisdictions.

Davis Polk lawyers also contributed the guide's Hong Kong, U.K. and U.S. chapters.
