

Select terms in recent mega-cap broadly syndicated loans

May 9, 2022 | Articles & Books

Davis Polk partner and Finance co-head Jason Kyrwood and partner Scott Herrig recently authored “Select terms in recent mega-cap broadly syndicated loans” in *International Financial Law Review*. In the article, Jason and Scott discuss some of the latest broadly syndicated term loan B trends and give an overview of some of the most recent market terms organized around the key concepts of leakage and leverage.
