

Equity capital markets in the UK (England and Wales): regulatory overview

August 24, 2022 | Articles & Books

Davis Polk partners Simon Witty and Dan Hirschovits and associate James Ufland authored “Equity Capital Markets in the UK (England and Wales): Regulatory Overview” in *Practical Law*. The Q&A guide provides a high-level overview of the main equity markets/exchanges and market activity, the regulatory bodies and legislative framework and the main requirements for a primary and secondary listing on the main public equity markets/exchanges.
