

Banking & Finance 2022: USA

October 31, 2022 | Articles & Books

Davis Polk partners James Florack, Meyer Dworkin and Vanessa Jackson and associate Adela Troconis authored the “Law and Practice” and “Trends and Developments” sections of the USA chapter in *Chambers’ Banking & Finance 2022* global practice guide.

The *Banking & Finance 2022* guide covers 35 jurisdictions. The guide provides the latest legal information on the impact of the COVID-19 pandemic, environmental, social and governance (ESG) lending, restrictions on foreign lenders and foreign currency exchange, tax and usury laws, guarantees and security, enforcement of foreign judgments, bankruptcy and insolvency, and project finance.
