

Direct listings: A viable alternative to traditional IPOs

March 23, 2023 | Articles & Books

Davis Polk partners Pedro Bermeo and Michael Kaplan, a leader of the firm's Israel practice, authored "Direct listings: A viable alternative to traditional IPOs" in the *US-Israel Legal Review 2022*. The article discusses alternatives for Israel companies seeking a U.S. listing, in light of the IPO and SPAC markets being effectively shut down. The authors describe different types of direct listings and their potential advantages for Israeli companies.
