

Tell me your secrets: Chapter 11 discovery risks for investor valuation materials

April 5, 2023 | Articles & Books

Davis Polk partner and Restructuring practice co-head Marshall Huebner and partner Elliot Moskowitz authored “Tell me your secrets: Chapter 11 discovery risks for investor valuation materials” in the April - June 2023 issue of *Corporate Disputes*. In the article, Marshall and Elliot discuss how in contested bankruptcy cases, there is a possibility that internal valuation materials and private communications about such materials could be the subject of discovery. They also provide recent examples of Chapter 11 proceedings during which discovery issues arose.
