

The Constellation Group's reorganization: Relevant developments

June 21, 2023 | Articles & Books

Davis Polk partner David Schiff and associate Matthew Bruno Masaro co-authored “The Constellation Group's reorganization: Relevant developments in the context of judicial reorganization proceedings and U.S. chapter 15 cases” in *Cross Border Restructuring & Insolvency 2012-2022: Cases and Developments*. In the chapter, David and Matthew, along with their co-authors, partner Thiago Braga Junqueira and associate Octavio Pedroso of Pinheiro Neto Advogados, discuss the cross-border reorganization of the Constellation Group and the hotly-contested legal issues it generated. The case resulted in multiple decisions that serve as precedents in Brazil and the U.S. and have helped shape cross-border insolvency law in those jurisdictions.
