

Important generative AI considerations in M&A

July 25, 2023 | Articles & Books

Davis Polk partner and IP, Tech & Commercial Transactions head Frank Azzopardi, partners Matt Bacal and Pri Shah, and associate Josh Shirley co-authored “Important Generative AI Considerations In M&A” in *Law360*. In the article, the authors discuss the novel diligence, transactional and other commercial considerations that acquirers engaging in M&A activity in the generative artificial intelligence (GAI) space are facing. The rise in GAI has attracted growing interest from both strategic and private equity acquirers.
