

FSOC 2023 Annual Report: Takeaways and observations

January 4, 2024 | Client Update

The Financial Stability Oversight Council released its 2023 Annual Report, highlighting its 2023 activities, significant financial market and regulatory developments and potential emerging threats to U.S. financial stability. The 2023 Annual Report newly identifies artificial intelligence and insurance as vulnerabilities and reframes its discussion of the banking sector to highlight evolving risks facing the largest GSIB and non-GSIB banks and all other regional banks, among other changes.
