

Shareholder activism & engagement

January 29, 2024 | Articles & Books

Davis Polk partner and Europe practice head Will Pearce authored the UK chapter of *Financier Worldwide's* "Shareholder activism & engagement" in-depth feature. In the chapter, Will provides an overview of recent trends in shareholder activism and discusses the key areas of focus for activists in the UK, which include: board composition, executive remuneration, corporate strategy and M&A strategy.
