

The continuing evolution of private equity net asset value facilities

January 30, 2024 | Articles & Books

Davis Polk partner Meyer Dworkin and counsel Kwesi Larbi-Siaw and David Kennedy authored “The continuing evolution of private equity net asset value facilities” chapter in the eight edition of *Global Legal Insights – Fund Finance 2024*. In the chapter, they discuss the ongoing developments in private equity net asset value (NAV) facilities and the key considerations for structuring and executing these financings.
