

Successful execution of cross-border transactions: Managing regulatory deal risk in the EU and UK

August 13, 2024 | Articles & Books

Davis Polk counsel Matthew Yeowart and associates Andrzej O'Leary and Emma Walsh authored "Successful execution of cross-border transactions: Managing regulatory deal risk in the EU and UK" in *Financier Worldwide*. In the piece, the authors explore various regulatory obstacles, including EU and UK merger control, foreign direct investment screenings and EU Foreign Subsidies Regulations.
