

In-Depth: Insolvency, Edition 12

October 9, 2024 | Articles & Books

Donald Bernstein, emeritus Chair of Davis Polk's Restructuring practice, and Tim Graulich, partner and head of international restructuring, served as contributing editors to the 12th edition of *In-Depth: Insolvency* (formerly *The Insolvency Review*) and authored the Editor's Preface. In addition, Donald, Tim, counsel Josh Sturm and associates Stella Li and Destiny Reyes authored the USA chapter.

Insolvency offers an in-depth analysis of the most consequential features of the insolvency laws and procedures in key jurisdictions worldwide and examines the practical implications of recent market trends and insolvency case developments.
