

Preparing your 2024 Form 20-F: Hot topics and developments to watch in the U.S. and U.K.

January 29, 2025 | Webinar

We are pleased to present a discussion of selected key U.S. and U.K. considerations for the preparation of your upcoming annual report on Form 20-F and your U.K. company annual report and accounts. Our webinar covers hot topics (including SEC and FRC focus areas) and recent disclosure developments. In addition, we “look around the corner” for developments likely to impact foreign private issuers and U.K. companies in the short to medium term.
