

Assessing and understanding the legal scrutiny of DEI

February 18, 2025 | Webinar

We invite you to view our webinar featuring a discussion of key takeaways for companies in the context of legal scrutiny of corporate diversity, equity and inclusion (DEI) programs. Topics include:

- Overview of DEI developments and examples of corporate functions affected by new directives
- Considerations of how long-standing anti-discrimination laws interact with the changing landscape
- Corporate and other reactions to the changes
- Litigation and government investigation risks
- Implications for company compensation structures that contain DEI objectives
- Concerns as 10-K and proxy statements filing dates near
