

Regulation of Swaps and Security-Based Swaps in the United States, 2024 edition

April 1, 2024 | Articles & Books

Davis Polk partner Gabe Rosenberg served as co-editor of *Regulation of Swaps and Security-Based Swaps in the United States* 2024 edition. Gabe also authored the “Uncleared swap margin” chapter and co-authored the “Extraterritorial application” chapter with counsel Tyler Senackerib. Davis Polk partner Zach Zweihorn and Tyler co-authored the “Capital Requirements” chapter.

The book provides a comprehensive summary of the swaps and security-based swaps legal regimes in the United States and the rules and regulatory actions that have been finalized as of September 1, 2023.
