

PE compensation series with Carta, Part 1: Trends in compensation at private-equity- backed companies

October 8, 2025 | Webinar

Join Adam Kaminsky and Veronica Wissel, Executive Compensation partners at Davis Polk, and April Lindauer, General Counsel at Carta, for the first in a series of webinars on the latest developments in management compensation at private-equity-backed companies. Topics will include:

- Legal and market trends in management equity arrangements, rollovers, non-competes, and equity plan rollout and administration.
- How technology, including AI, can help PE-backed businesses streamline operations, administer an effective equity program, and ensure a seamless management and employee experience.
