

United States: Blockchain & crypto assets

November 12, 2025 | Articles & Books

Davis Polk partner Joe Hall and associates Boaz Goldwater and Justin Levine authored the “United States: Blockchain & crypto assets” chapter in the seventh edition of the *Legal 500’s Blockchain & Crypto Assets Comparative Guide*. In the chapter, they provide information about the current issues affecting blockchain in the United States and address topics such as cryptocurrency, virtual assets, smart contracts, and enforcement and judicial considerations.
