

Preparing your 2025 Form 20-F: Hot topics and developments to watch in the U.S.

January 29, 2026 | Webinar

We are pleased to present a discussion of key considerations for the preparation of your upcoming annual report on Form 20-F. Topics include:

- Recent developments (including the new Section 16(a) insider reporting obligations)
- Hot disclosure topics (including SEC focus areas)
- Practice tips for the preparation of your 2025 Form 20-F
- A “look around the corner” for developments likely to impact foreign private issuers in the short to medium term
