

Regulation of Swaps and Security-Based Swaps in the United States, 2026 Edition

July 9, 2026 | Articles & Books

Davis Polk partner Gabe Rosenberg and counsel Tyler Senackerib served as co-editors, along with CIBC's William Meehan, of the 2026 edition of *Regulation of Swaps and Security-Based Swaps in the United States*. As the go-to industry resource, this book provides a comprehensive summary of the swaps and security-based swaps legal regimes in the United States and the rules and regulatory actions that have been finalized as of January 1, 2026.
