

Hedging the cost of the acquisition that hasn't yet closed

July 9, 2026 | Articles & Books

Davis Polk partner Meyer Dworkin and counsel Michele Babkine authored “Hedging the cost of the acquisition that hasn't yet closed” in the *International Comparative Legal Guide's Derivatives 2026*. In the chapter, the authors discuss the customary structure of a deal-contingent hedge, select issues for acquisition buyers to consider and recent trends with respect to these instruments.
