

Cyber Breach Center Post: Two Recent Cases Highlight the Insider Trading Risks Associated with Cyber Breaches

July 12, 2018 | Client Update

The recent convictions of two traders for using [hacked press releases](#) and the settlement of SEC insider trading charges against a [former Equifax manager](#) highlight the significant insider trading risks companies face when dealing with a cyber event. Potential considerations for companies as they consider these risks highlight the intersection between cybersecurity and corporate governance. The full blog post is available at our Cyber Breach Center, [here](#).
