

Status of Financial Regulatory Leadership Changes (March 2017)

March 22, 2017 | Client Update

As the second quarter of 2017 comes to a close, we have updated our [brief deck](#) summarizing the leadership and staffing changes among federal financial regulators, including announced nominations and resignations and expiring terms. The first slide summarizes the state of play for the principals and the later slides provide a deeper dive on an agency-by-agency basis, including select senior staff. We intend to continue to update this resource from time to time.
