

The current state of U.S. Public Cryptocurrency Funds

April 16, 2020 | Articles & Books

Davis Polk partner Gregory Rowland and counsel Sarah Kim served as contributing editors for the third edition of *International Comparative Legal Guide: Public Investment Funds 2020*. Rowland and associate Trevor Kiviat authored the “The Current State of U.S. Public Cryptocurrency Funds” chapter, and Rowland and Kim authored the “USA” chapter.

This guide provides corporate counsel and international practitioners with a comprehensive worldwide legal analysis of the laws and regulations pertaining to public investment funds. As the regulations in the financial services industry continue to evolve in response to new developments and obstacles in financial systems globally, it will be important for legal professionals and industry participants to have up-to-date resources, such as this guide, for practical insight relating to different jurisdictions.
