

What's market: 2020 mid-year trends in large cap and middle market loans

August 26, 2020 | Articles & Books

Davis Polk partner Vanessa Jackson recently authored “An Expert's View” column in *Practical Law's* “What's Market: 2020 Mid-Year Trends in Large Cap and Middle Market Loans.” The column discusses how companies must adapt to an economy significantly affected by the COVID-19 pandemic and the impact on EBITDA addbacks and the direct lending market.
